Brand of Pump _____ Type of Pump: _____

SECTION V - EXEMPTION STATEMENT, AFFIRMATION, AND EXECUTION

I certify that all statements and information in this form are true and correct. I also declare and certify that the above referenced well has been drilled, equipped, and/or completed so as to be incapable of producing more than 25,000 gallons of groundwater per day, or that this well is exempt under a permit issued by the Railroad Commission under *Chapter 134, Texas Natural Resources Code*, or production from this well is necessary for mining purposes. If a well is exempt under a permit issued by the Railroad Commission, or for mining purposes, is to be used for any other purpose it must be permitted by the District.
