Section V. Affirmation, Exemption Statement, and Execution

I certify that all statements and information in this form are true and correct.

If the well is claimed to be exempt from an operating permit, check the basis (§ 5.401(a)):

☐ Drilled and operated solely for domestic use or for livestock, poultry, or wildlife, and incapable of producing more than 25,000 gallons per day on a tract of 10 acres or more, or more than 10,000 gallons per day on a tract smaller than 10 acres that meets spacing requirements (§ 5.401(a)(1)).

☐ Limited production well — not more than 9,125,000 gallons per year, tract of 10 acres or more, metered (§ 5.401(a)(3)).

☐ Authorized under a Railroad Commission permit under Chapter 134, Texas Natural Resources Code, or required for mining activities (§ 5.401(a)(5)).

☐ Other exemption: _____ (§ 5.401(a)).

☐ Not claimed exempt — well will be operated under Operating Permit No. _____.

An exempt well loses its exemption if it is altered, equipped, or used for a purpose or in a manner that is not exempt, and the owner must notify the District within 30 days (§§ 5.401(d), 5.402).
